THE SCHOOL

Bishop Heber High School (the 'Heber') has 1,300 students, including 250 in the Sixth Form, and serves three villages and surrounding hamlets in this beautiful area of south-west Cheshire. The School is located a 20-minute car journey from Nantwich, Wrexham and Chester. It has easy access to the Wirral as well as North Shropshire. The School enjoys an excellent reputation in the locality and a large number of families choose Bishop Heber from outside the catchment area. In fact, there are over 450 students on roll who come from other parts of Cheshire, Shropshire and North Wales. In 2015, the School underwent a £5 million redevelopment of the site and there are strong community links through the School's Library and sports facilities, including a new Community Fitness Suite, Astroturf pitch and resurfaced Netball courts.

We are a Foundation School and formerly an International Specialist Languages College which underpins an exciting international dimension both in the School and through its curriculum.

In the main findings of the most recent Ofsted Inspection Report (November 2022), stated that:

"At Bishop Heber High School, pupils and students in the sixth form are proud to belong to the school. There is a strong sense of community. Pupils and students are welcoming and supportive of each other, living out the mantra that states all will be happy at Heber. Leaders and teachers have high expectations for all pupils and students to succeed, both academically and personally."

The school's impressive results were reflected in Ofsted's observations that: ***Teachers have strong subject knowledge. They use their expertise to deliver the curriculum well... Pupils and students achieve well.***
