We are looking for a great teacher who is able to create and maintain an engaging, immersive and supportive environment whilst ensuring children are safe at all times. Someone who is able to build strong relationships with others, is highly reflective and aspires to be the very best teacher and role model they can be. We offer a supportive and experienced TEAM, fantastic children, an excellent range of training, future career opportunities and beautiful grounds that include a fully established forest school area. Our school is full of kind, caring and reflective colleagues who really do put children and our community at the heart of all that we do and they will welcome you and the experiences you bring to our team with open arms.

We welcome applications from people with the relevant experience and a range of talents. Do look at our school website and X feed to find out more about us, our ethos and our curriculum. We strongly encourage you to come and meet Mrs Gibbons and the team to find out more about the role before applying.
